updates.
Threat definitions
Windows Defender Antivirus uses files called definitions to detect threats. We try to automatically download the most recent definitions, to help protect your device against the newest threats. You can also manually check for updates.
Threat definition version: 1.381.2284.0
Version created on: 1/16/2023 10:32 AM
Last update: 1/16/2023 9:25 PM
